In this session, you will:

- Learn ... How cultureQs Benefits Organisations and Teams
- Experience ... How cultureQs Works
- Discover ... The Background and Foundations of cultureQs
- Find out ... How you can get cultureQs

cultureQs is a Change and Integration Accelerator that that uses powerful questions to inspire participants to reflect on the foundations of their beliefs, attitudes and behaviours.

While engaging in deep meaningful conversations, people connect quickly, enabling the invisible borders that hinder collaboration to fall away.

Wasteful conflict is reduced; people (re-)focus on the personal and professional questions that matter; innovative potential is released and performance is enhanced.

This session has been requested by colleagues on the West Coast of Canada and USA, and is scheduled to enable them to participate. All are invited, wherever you may be located.
